---------------	------------------------

City of Lincoln Adopt-A-Creek: The City’s Adopt-A-Creek team of volunteers pulled a total of 15,485 pounds of trash out of the Auburn Ravine during the months of July, August and September. On October 2, 2021, volunteers from Granite Springs Church performed a community beautification project with the assistance of Mona Bass, Adopt-A-Creek’s founder, and cleaned up trash in McBean Park from behind the stadium to Gateway Commons. There are approximately 12 active homeless campsites in the ravine currently, and staff is working with the Police Department to put in place legally defensible enforcement mechanisms designed to encourage individuals to take advantage of available services and preserve the environment.

Lincoln Code Enforcement: The Lincoln News Messenger recently published an article regarding Code Enforcement and Officer Anthony Anderson. If you missed it, you can read it at <https://goldcountrymedia.com/news/202217/code-enforcement-preserving-our-community/>

Fire Captain Mark Macias: Lincoln Fire Captain Mark Macias retired on November 3, 2021, after 21 years of service with the department. Captain Macias marks the first retirement from the Lincoln Fire Department since it became a full-time paid department in 2001.

Officer Steve Krueger: Officer Steve Krueger retired from the Lincoln Police Department on November 9, 2021 after 21 years of service with the department. Officer Krueger spent the majority of his career as a school resource officer and was well known and respected within the community.

New LPD Officer: Officer Daniel Lee was hired and started his career with the Lincoln Police Department on November 1, 2021. Officer Lee previously worked at the Placer County Jail and is a welcome addition to the department.

All Capital Improvement Projects will be updated on the attached CIP Tracker Report on at least a monthly basis. Individual Inside Lincoln updates will only be provided for a select group of high-profile projects as needed.

CIP Tracker and its associated map are available on the City’s website at the following location:
